

SHARE THE JOY

Last year, Women Active for Christ gave over \$41,000 toward the purchase of Christmas gifts for 4,100 children in Kazakhstan, 70 children in Kyrgyzstan, 550 children in Tajikistan and 100 children in Uzbekistan.

4,820 children along with parents and facility workers heard the gospel (many for the first time) through Bible Mission's 2007 Joy of Christmas. Yet so many more wait to hear. Will you join in giving and prayer for this year's outreach?

- homeless children
- children with AIDS
- children with mental and physical challenges
- impoverished children
- juvenile delinquents

Each \$15 gift gives one child a children's Bible, a stuffed animal, candies and other treats and a chance to hear the gospel.
