

A fresh approach in creative arts

# together endeavors

WNAC announces a fresh approach toward creative arts. Beginning in 2010, **Together Endeavors** will replace the annual Creative Arts Contest. The new format will allow greater participation, less intimidation and more immediate use of submitted materials.

Together Endeavors is not a contest. Rather it's an opportunity for women to contribute their talents and efforts in a variety of ways. It's also a supply source for future content in WNAC publications.

Whether you are a past contributor to the Creative Arts Contest or a person who's never submitted anything, Together Endeavors seeks your participation in this new effort.

Each year's Endeavors will center on the upcoming WNAC year theme. This year's Together Endeavors is "Shine!" taken from Philippians 2:15. Endeavors can include articles, devotionals, poetry, plays, skits, photography, art, craft projects, and logo design. Theme-related Endeavors should be received in the WNAC office by March 1, 2010, for consideration in the upcoming year's programs and publications. However, WNAC welcomes Endeavors at any time.

A Together Endeavors Profile Sheet should accompany any submission. Forms are available online or by request (phone 877-767-7662). Submissions will be acknowledged upon receipt.
