"I can't even believe that we are so loved by our sisters in the USA, to the point of allowing themselves to be used by the Lord to bless us. May our Lord Jesus Christ bless in return, all those who have not hesitated to support us. Here is what the Word of the Lord declares, 'Whoever brings blessing will be enriched, and one who waters will himself be watered' (Proverbs 11:25).

The Steward Provision Closet

From one suitcase of linens in 1962 to a present storehouse with goods totaling more than a quarter million dollars, the Steward Provision Closet stands as an amazing display of God's good gifts and His peoples' generosity. Renamed in memory of longtime Michigan missionary mobilizer Lucille Steward, the closet provides household goods and small appliances for both missionaries and

related ministries such as Bible institutes, global partnerships, and The Hanna Project—at no cost.

All families serving under Free Will Baptist International Missions or North American Ministries are eligible for these benefits. Missionaries initially visit the closet before going to their particular field of service, but can return anytime they ascertain a household need. For international missionaries returning stateside, the closet provides much needed items for reentry and resettlement. Missionary kids attending college in the U.S. can obtain items for dorm rooms.

Gifts to the closet are always welcome.

However, certain guidelines help assure quality and usefulness. All items must be new, preferably still packaged. Gift cards to national chains are greatly appreciated by missionaries. Please include donor information and an inventory with a suggested retail price of all gifts. Find current needs on our website www.wnac.org or call the office at 877-767-7662.

Shine conferences provide a safe place for 12- to 18-year-old girls to confront cultural messages with biblical truth and practical suggestions for making good decisions in a difficult world.

A separate track for moms and youth leaders examines challenges teens confront and provides helpful resources for those who work with them. Contact the office (877-767-7662) for information about the next conference.

WNAC Scholarships

WNAC provides educational scholarships as part of its ongoing mission: *helping Free Will Baptist women discover and utilize God-designed roles for communicating the gospel.*

Dr. Mary Ruth Wisheart Student Scholarships

These scholarships are awarded to young ladies enrolled in one of the Free Will Baptist colleges in the United States. WNAC provides \$1,000 per year and the respective colleges select the recipients. Applications are available in the financial aid office.

Dr. Wisheart, for whom the scholarship is named, was an English professor at Welch College (formerly Free Will Baptist Bible College) for many years before her tenure as WNAC Executive Secretary-Treasurer (1985-1993).

International Student Scholarships

Due to the advance in technology and ease of travel, more international students are coming to the States for their education. A Free Will Baptist international missionary recommends these students for consideration of this scholarship. Three \$1,000 scholarships are available per year.

Cleo Pursell Foreign Student Scholarships

This ministry provides educational funding for spiritual leaders studying in their native language at our Bible institutes and seminaries. Recipients are recommended by Free Will Baptist International Missions.

Cleo Pursell, for whom this scholarship is named, served as WNAC's first full-time Executive Secretary-Treasurer (1963-1985).

WNAC Scholarships are helping Free Will Baptist women become better equipped to communicate the gospel.
