

**Remember when exercise looked
the same for everyone?**

*Today it's about choices—customizing a program that
builds upon individual strengths to help maintain good
health, firm up weak areas and reach peak potential.*

**Remember when women's ministry
looked the same for everyone?**

*Today it's about choices—customizing a program that
builds upon individual strengths to help maintain good
health, firm up weak areas and reach peak potential.*

*Come find new ways to exercise
your unique and valuable spiritual gifts.*
