

PreEaster Week of Prayer for International Missions MARCH 25-29, 2013

Participate in the 2013 WNAC PreEaster Week of Prayer for International Missions, March 25-29. A daily prayer guide provides specific requests for evangelism needs and prayer concerns. God moves in hearts as people pray.

Both WNAC (www.wnac.org) and FWBIM (www.fwbgo.com) offer additional resources to help you maximize your prayer week experience and prepare your heart for the annual World Missions Offering (WMO) on April 28. Begin praying now about what God would have you give toward His work around the world.
