# Women's Ministry

[www.wnac.org](http://www.wnac.org)

If you're a Free Will Baptist woman between the ages of 12 and 112, you are a part of FWB Women's Ministries. Since 1935, WNAC (Women Nationally Active for Christ) has actively sought to "help every FWB woman find and fulfill her role in the Great Commission, both at home and abroad." Since becoming a department of the National Association of Free Will Baptists in 2015, we have broadened our outreach from a members-based organization to one that seeks to represent every woman.

We are here to resource, encourage, train, and equip women of all ages to grow in discipleship and actively engage in making disciples. Based on the Great Commission and Titus 2, we believe women are uniquely gifted to teach and reach other women both in and out of the church. We filter every dream and plan through these important biblical commands.

### ONLINE MAGAZINE

In our free online magazine, *Treasure*, we feature monthly Bible studies and articles written by and for FWB women. You can view or download *Treasure* on our website for use as individuals or groups. They are available in English and Spanish, and in regular and large print. [www.wnac.org/treasure/treasure-magazine](http://www.wnac.org/treasure/treasure-magazine).

We are particularly committed to helping areas not currently hosting live events. If you'd like help in planning and resourcing your next retreat, please contact us.

### AS YOU GO PODCAST

Launched in the summer of 2023, our podcast has received great response from ladies (and a few men!) across the denomination. On *As You Go*, we interview Christian ladies who truly walk with Christ, asking questions and learning from their varied experiences. What a privilege to sit down with godly mentors and hear about how the

Lord has led them through life's ups and downs. *As You Go* is published twice a month and is available in either video or audio form. Women across the U.S. and 12 countries are enjoying the podcast and using it for personal growth and as devotions and programs for their ladies' meetings.

### EVENTS AND CONFERENCES

*Flourish  
thrive*

Regional "Flourish" and "Thrive" retreats and events bring women together with the goal of fellowship and net-

working. We are committed to encouraging women to come together by states and regions to grow as victorious disciples of Christ. It is so encouraging to know that you are not alone in this struggle as you live out your faith in an increasingly challenging culture.

## THE STEWARD PROVISION CLOSET

Since 1962, FWB women have expressed love for our missionaries in a tangible way through the Provision Closet. This small warehouse located in the FWB National Offices Building in Nashville stocks needed items and gift cards for missionaries, church planters, and other related ministries such as Bible Institutes, The Hannah Project, and global partners. For more information about how your church or group can donate, please visit [www.wnac.org/ministries/closet-2](http://www.wnac.org/ministries/closet-2)

We have made it easier than ever to donate to the Provision Closet by setting up gift registries through both Amazon and Walmart.

## SCHOLARSHIPS

Each year WNAC provides the following donor-based scholarships:

**The Mary R. Wisheart Scholarship** for young women studying at FWB colleges.

**The Cleo Purcell Foreign Student Scholarship** for international students pursuing Christian Education in their own countries.

**The Miley International Student Scholarship** for international students pursuing Christian Education within the U.S. at FWB colleges.

## SHINE!

We are excited about discipling girls ages 12-18, our youngest women. Since 2016, *Shine!* events have provided a safe place for junior high and high school girls to confront cultural messages with biblical truth. With the theme of “Know Your Worth,” *Shine!* focuses on deflecting the lies of the world with the truth of God’s Word. Our girls need to know that their value is not found in looks, fashion, sex appeal or popularity, but in the fact they are a one-of-a-kind handmade treasure made by a perfect God.

*Shine!* sponsors live events and simulcasts around the country and also features a website, video blog, and devotions to keep girls grounded throughout the year. For more information on how you and your girls can get involved, visit [shinefwb.com](http://shinefwb.com)

## THE GIVING TREE

For almost 90 years, WNAC has been “bearing fruit” as one of the most effective supporters of Free Will Baptist missions work. In the last decade alone, the ministry has channeled over \$2 million to home and international missions.

While FWB ladies have been more than faithful in giving to missions, supporting special projects and donating to the Provision Closet, we have not given enough attention to the WNAC organization itself — the tree bearing the bountiful fruit.

### We need to take care of the tree.

The WNAC Giving Tree is a program designed to increase annual income to the organization, relieving financial pressure and making future growth possible.
